SUMMARY

Dedicated web developer with three years of experience, including one year of working in the industry. I pay close attention to details, and my commitment to doing excellent work is a top priority. I'm eager to learn and grow, ready to bring innovative ideas and teamwork to any project, contributing to the success of the team.

EXPERIENCE

Front-End Developer (Freelancing), CarrentalGt, November 2023-February 2024
- Led the implementation of responsive and interactive web interfaces using Next.js, ensuring seamless integration with backend systems.
- Translated design concepts into functional web pages and optimized features for performance and cross-browser compatibility.

Mentor, React.js Developer, Bitcamp, January 2023-August 2023
- Mentoring beginner web developers
- Worked extensively on Next.js projects

React Developer (Internship), Tlancer, November 2022-February 2023
- Implementing front-end tasks.
- Added new features and implemented design changes in collaboration with team members
